About us

Who we are

Zahrat Al Dhaid debut its legendary journey in 2010 with a small shop in the city of Dhaid Sharjah, from there to now we made fabulous successful stories in the hearts of tens of thousands of our satisfied customers. 13 years, we thrived as a leading brand name in country's Agriculture market with a renowned role in the areas of import, wholesale and retail in Agro trading sector.

Our continuous go-getting efforts for new products and techniques emerged us as the first choice for farmers, lawn makers, landscapers and even back yard gardeners for any of their agricultural needs, their trust in our service and products inspired us more and strengthened our desire to endeavor advanced solutions in an affordable cost. We extended our business over the years and now serving you across the UAE with our multi location stores in Sharjah, Ajman and Dubai emirates.

What we do

We continuously learnt, invest our efforts to address sectoral issues to bring solutions by way of modern and advanced products and technologies, we placed ourselves in front of farmer's necessities, finding solutions for their problems with a series of processes and developments. We bridging the gap between their needs and obtainability. A middlemen service from international producers of agricultural tools, machineries and materials including seeds, fertilizers and medicines to local farmers and agriculturalists.

Our service starts from setting up the land to harvesting the grains which includes cultivation process, planting, raising, Irrigation, fertilization etc. We provide complete service with tools, machineries and materials guidance.

Mission

- To provide quality agri-inputs and timely services to customers.
- To make those farmers prosper, who actually does farming.

Achievements
